

Comparative Value Guide

Public School Liability (PSL) Coverage

Since United Educators' (UE's) founding in 1987, our focus has been exclusively on education and finding new ways to meet our members' insurance coverage needs, manage risks, and efficiently resolve claims. When it comes to liability insurance, UE offers broad coverage. Use this checklist to compare the value and benefits of UE's public school liability (PSL) coverage with alternatives you might be considering.

First, review the coverage and value of UE's policy. Next, determine if alternative options provide the same comprehensive benefits. Any gaps in coverage or value by the other carrier represent a potential liability. If it is unclear how another policy may respond, ask that carrier's Underwriter to state the coverage position.

Discuss your comparison with your UE representative at any time. We're here to help.
