United Educators®

Online Training Solutions for Education

Hosting options and platform capabilities

United Educators' (UE's) award-winning online training is complimentary to UE members and is available to all other K-12 schools, colleges, and universities through Canopy Programs™.

Our courses are:

- Designed exclusively for education

- Data-driven and based on actual incidents

- Accessible (Section 508/WCAG compliant)

- Compatible with all devices

Offerings include:

- Course customization
- Course licensing
- Tailored UE-hosted learning portal

Available for a fee through Canopy Programs™

Hosting Options

Course Licensing

Do you have your own learning management system (LMS)? Centralize your training efforts by licensing our courses for use on your institution's learning platform.

Benefits include:

- Fewer login credentials to remember

- No additional training platform to learn

- Manage learner details and completion data for all training in one location

Tailored UE-Hosted Learning Portal

Personalize your training experience by tailoring our platform to your institution. This can include:

- Adding logo(s) and graphics

- Adding links to policies, procedures, and other information

- Sharing messages from institutional leaders

- Sharing details for compliance with state requirements

- Single sign-on

Reporting

Our robust reporting capabilities include:

- 24/7 reporting on demand

- CSV or XLS export options

- Creating and sharing custom reports

- Scheduled reports delivered to your inbox

- Automation and integrations available

Additional Capabilities

- Bulk provision learner accounts

- Manage learner enrollments into courses

- Automate course enrollments based on user profile fields

- Toggle catalog access on or off for learners

- Deep-link learners to a specific course

Learner Support

Learners have access to self-help articles and can get assistance anytime via chat, email, or phone.

Accessibility Pledge

We are champions of universal design and pledge to create immersive and inclusive learning experiences. Our platform and courses undergo rigorous accessibility review and Voluntary Product Accessibility Templates (VPATs) are available upon request for most courses in our collections.
